

Trail Information

Trail Grading

Gentle: On formed tracks over even and gently undulating terrain.

Moderate: Tracks may be narrower with steps, variable surfaces and some tripping hazards. Mostly gentle grade.

Adventurous: Bushwalking or bike riding experience recommended. Track may be rough, long and very steep. Directional signage may be limited.

All times and distances listed are return trips. Dogs are permitted on all walks, but must be on a lead at all times.

Map Symbols

Walkers only: The track is suitable for walkers only. Not suitable for cyclists due to narrow and rocky trails.

Cyclists only: This track is suitable for cyclists and not recommended for walkers.

Walkers/Cyclists: Both walkers and cyclists can use this track. (Times listed are for walkers.)

TrailRider: Suitable for the TrailRider All Terrain Wheelchair.

The TrailRider is an all terrain access wheelchair which allows community members and tourists with physical and mobility issues to explore the great outdoors and experience parks, reserves, tracks and trails. The TrailRider is available to hire for free from the Daylesford Visitor Information Centre. Bookings are essential.

Please call 1800 454 891 to make a booking or visit www.hepburn.vic.gov.au/trailrider/ for more information.

Tipperary Walking Track

All trails are suitable for:
Walkers only

Looking for a longer walk?
Combine all three trails for a 14 km walk.

Lake Daylesford to Twin Bridges

RED TRAIL 

Distance: 2.6 km

Time: 1 hour

Grading: 

Starting at the picturesque Lake Daylesford, walk down to Central Springs Reserve, where the lake flows into Wombat Creek, follow the narrow trail along the side of this creek to the Twin Bridges picnic area. Cross to the other side of the creek for the walk back to Lake Daylesford. Take care when crossing the highway to the Twin Bridges picnic area.

Twin Bridges to Tipperary Springs

BLUE TRAIL 

Distance: 4.6 km

Time: 1.5 hours

Grading: 

For those feeling a little more energetic, cross over the footbridge and continue following the walking track on the west side of the creek from Twin Bridges to Tipperary Springs. Once at Tipperary taste the natural mineral water then head back up the road to connect with the walking track back to Twin Bridges and Lake Daylesford.

Tipperary Springs to Bryces Flat

GREEN TRAIL 

Distance: 6.6 km

Time: 2.5 hours

Grading: 

Cross the footbridge past the picnic area to join the walking track along the west side of the creek. Continue along the walking track through old gold diggings and take the stepping stones across the creek at Bryces Flat. Take the trail on the east side of the creek and look out for the disused Mistletoe Mine on your return journey.

For more information on Hepburn Regional Park contact Parks Victoria on Ph: 13 1963

Points of interest:

1. Lake Daylesford is a man-made lake, originally a site of gold diggings, then later a Chinese market garden. The construction of the lake began in 1927.
 2. Spot relics from the mining era along the trail, including the disused Mistletoe Mine.
- ↗ There is an abundance of mineral water reserves in the region. Take some time to taste the waters at the mineral springs along the trail. Some of the springs have hand pumps, while others have free-flowing pipes.

Two Lakes Trail

Suitable for:
Walkers/Cyclists

Two Lakes Walk

RED TRAIL ———

Distance: 9.4 km

Time: 3 hours

Grading: ■■■■■■■■■■

Looking for a shorter walk? Walk the loop at either Lake Daylesford or Jubilee Lake.

Start and finish at the Fulcher Street car park of Lake Daylesford and explore the stunning natural areas around the famous lakes of Daylesford. Start by walking clockwise around Lake Daylesford and past the Lake House. Cross a small footbridge, turn left after approximately 40 metres and follow the rough track up the hill. Turn left at Burrall Street and pass the entrance to Victoria Park. Cross the road, enter the Jubilee Lake walking track on your left and follow this track to Jubilee Lake. Cross the footbridge and walk around the lake in an anti-clockwise direction. Once you reach the footbridge again, scramble up the steep steps to join the old railway line. Follow the Great Dividing Trail signage through Cornish Hill until you reach Stanbridge Street. Follow the trail back to your starting point at Lake Daylesford.

Suitable for:
Walkers only

Lake Daylesford

BLUE TRAIL ———

Distance: 2.5 km

Time: 45 minutes

Grading: ■■■■■■■■■■

Suitable for:
Walkers only

Jubilee Lake

GREEN TRAIL ———

Distance: 1.6 km

Time: 30 minutes

Grading: ■■■■■■■■■■

Points of interest:

1. Stop off at Wombat Flat Mineral Spring, one of the many mineral springs in the region and try the water fresh from the ground. Don't forget a cup or drink bottle.
 2. Lake Daylesford is a man-made lake, originally a site of gold diggings, then later a Chinese market garden. The construction of the lake began in 1927.
- See the abundance of birdlife that these lakes are home too.
